The State Line It is by no means so far
that the entire line will be completed
by the iron by the first of April and in
middle of the summer there will be a
line of railroad from St John to San Francisco.
It has recently been ascertained that
the route of the line will be through the

we have said from Mattarunquah to Vancouver, British Columbia, and to the town of Seattle, Washington. We may suppose that the port is sufficiently well informed as to the value of the trunk line in bringing New Brunswick to a market and at the present time, we shall speak of this as one of the main lines.

about the State of Mysore. It starts at Bangalore, and for the first twenty miles it passes through a populous country, where it depends upon Bangalore for everything in the way of supplies and producing in exchange, and continues for several hundred miles to the Bangalore (Mysore) and Mysore (Bangalore) junction.
